Dedication

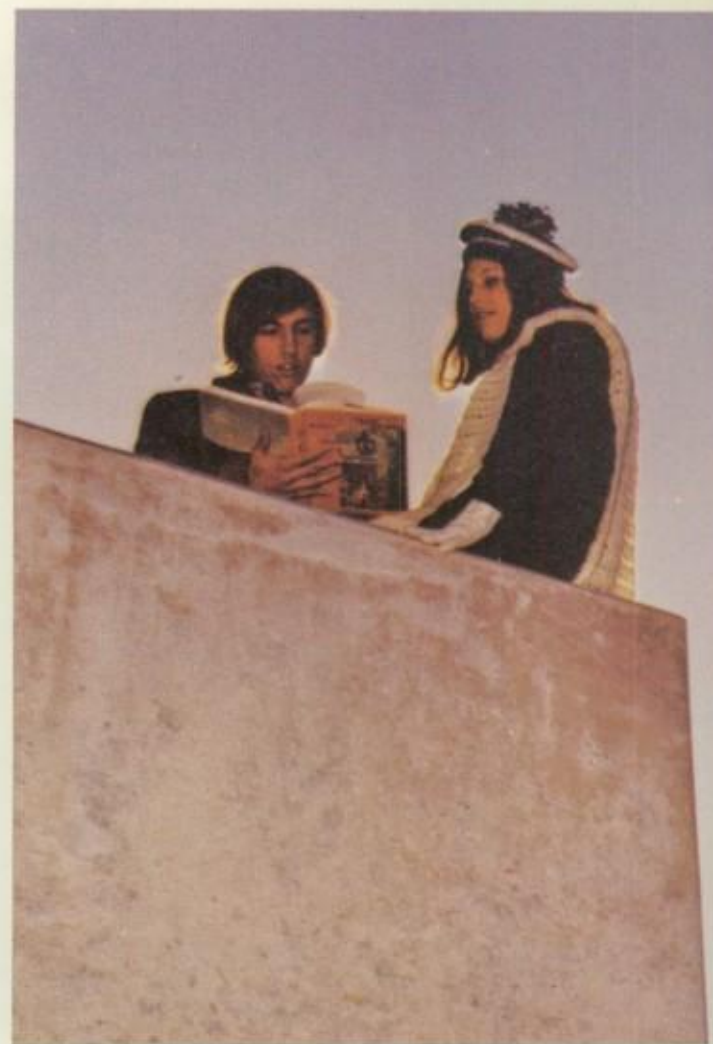

We, the Saga staff of 1971-72, on behalf of the Moore High School student body, dedicate this yearbook to our beloved English teacher Mrs. Margaret Collins.

We realize that few are born to teach and lead young people in pursuing their education. Few have the dedication and patience that is required to become a good teacher. Few have found the satisfaction of associating and guiding tomorrow's people.

For over forty years Mrs. Collins has been such a person. She has been with us since our beginning and shall be with us forever in our memories.

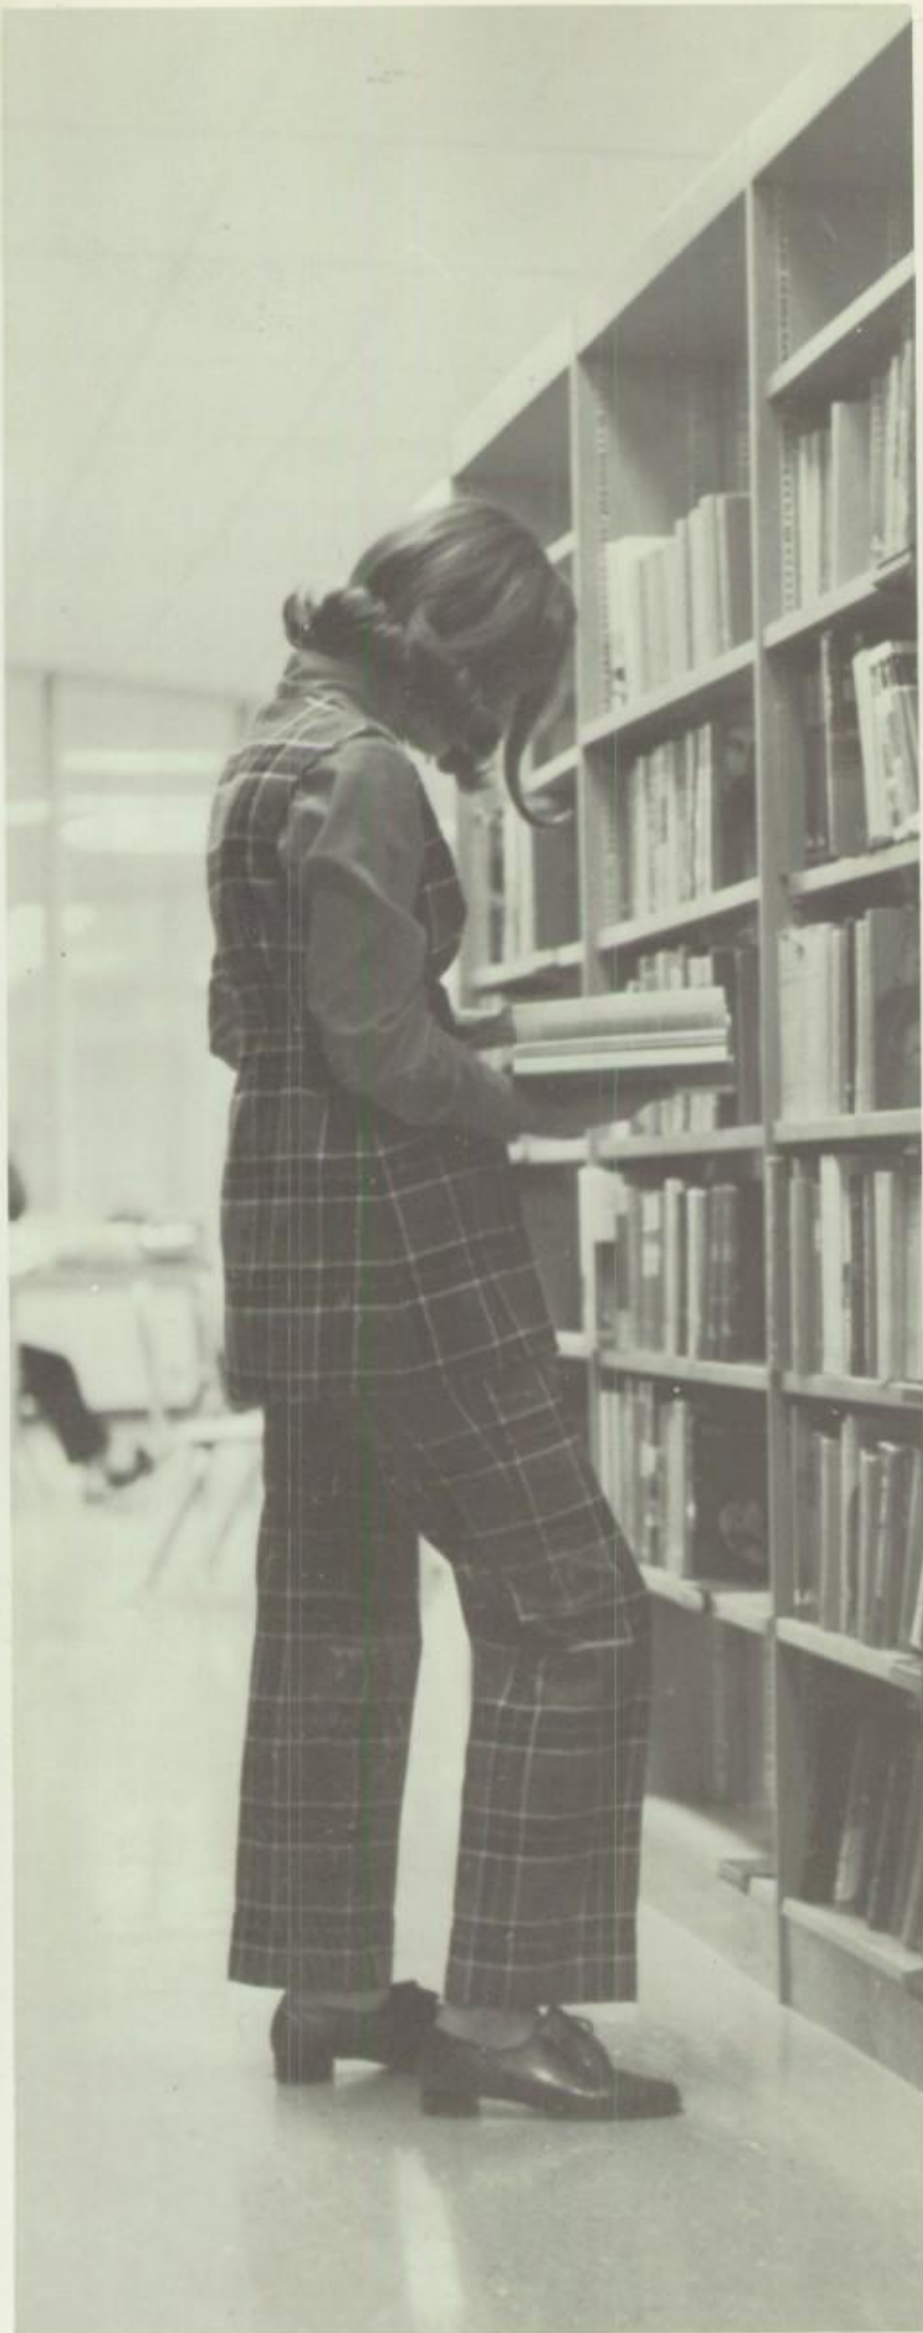

We hope that this yearbook exemplifies the excellence, high quality of perfection, and achievement that Mrs. Collins has taught us all to believe in.

Sauntering the pavement or
riding the country by-road, lo, such faces!

Faces of friendship, precision, caution,
suavity, ideality,

The spiritual-prescient face, the always
welcome benevolent face,

The face of singing of music,

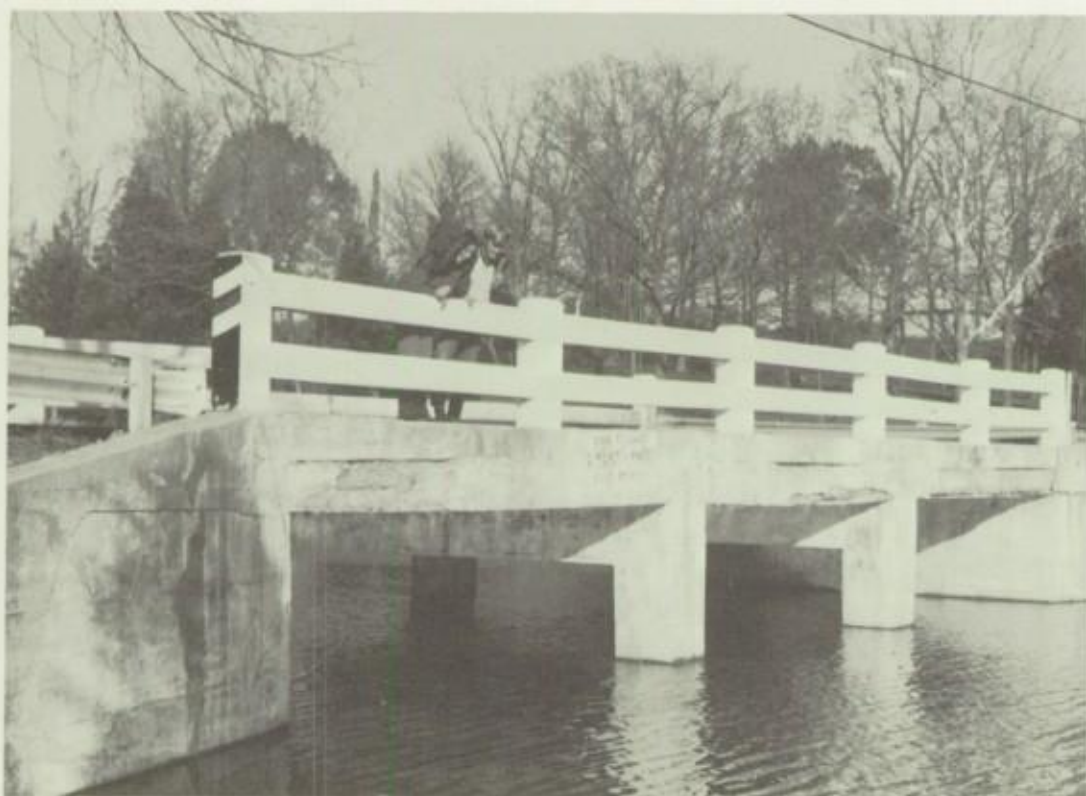

the grand faces of natural lawyers and judges,

The face of an amour, the face of veneration,

The face as of a dream, the face of an immobile rock,

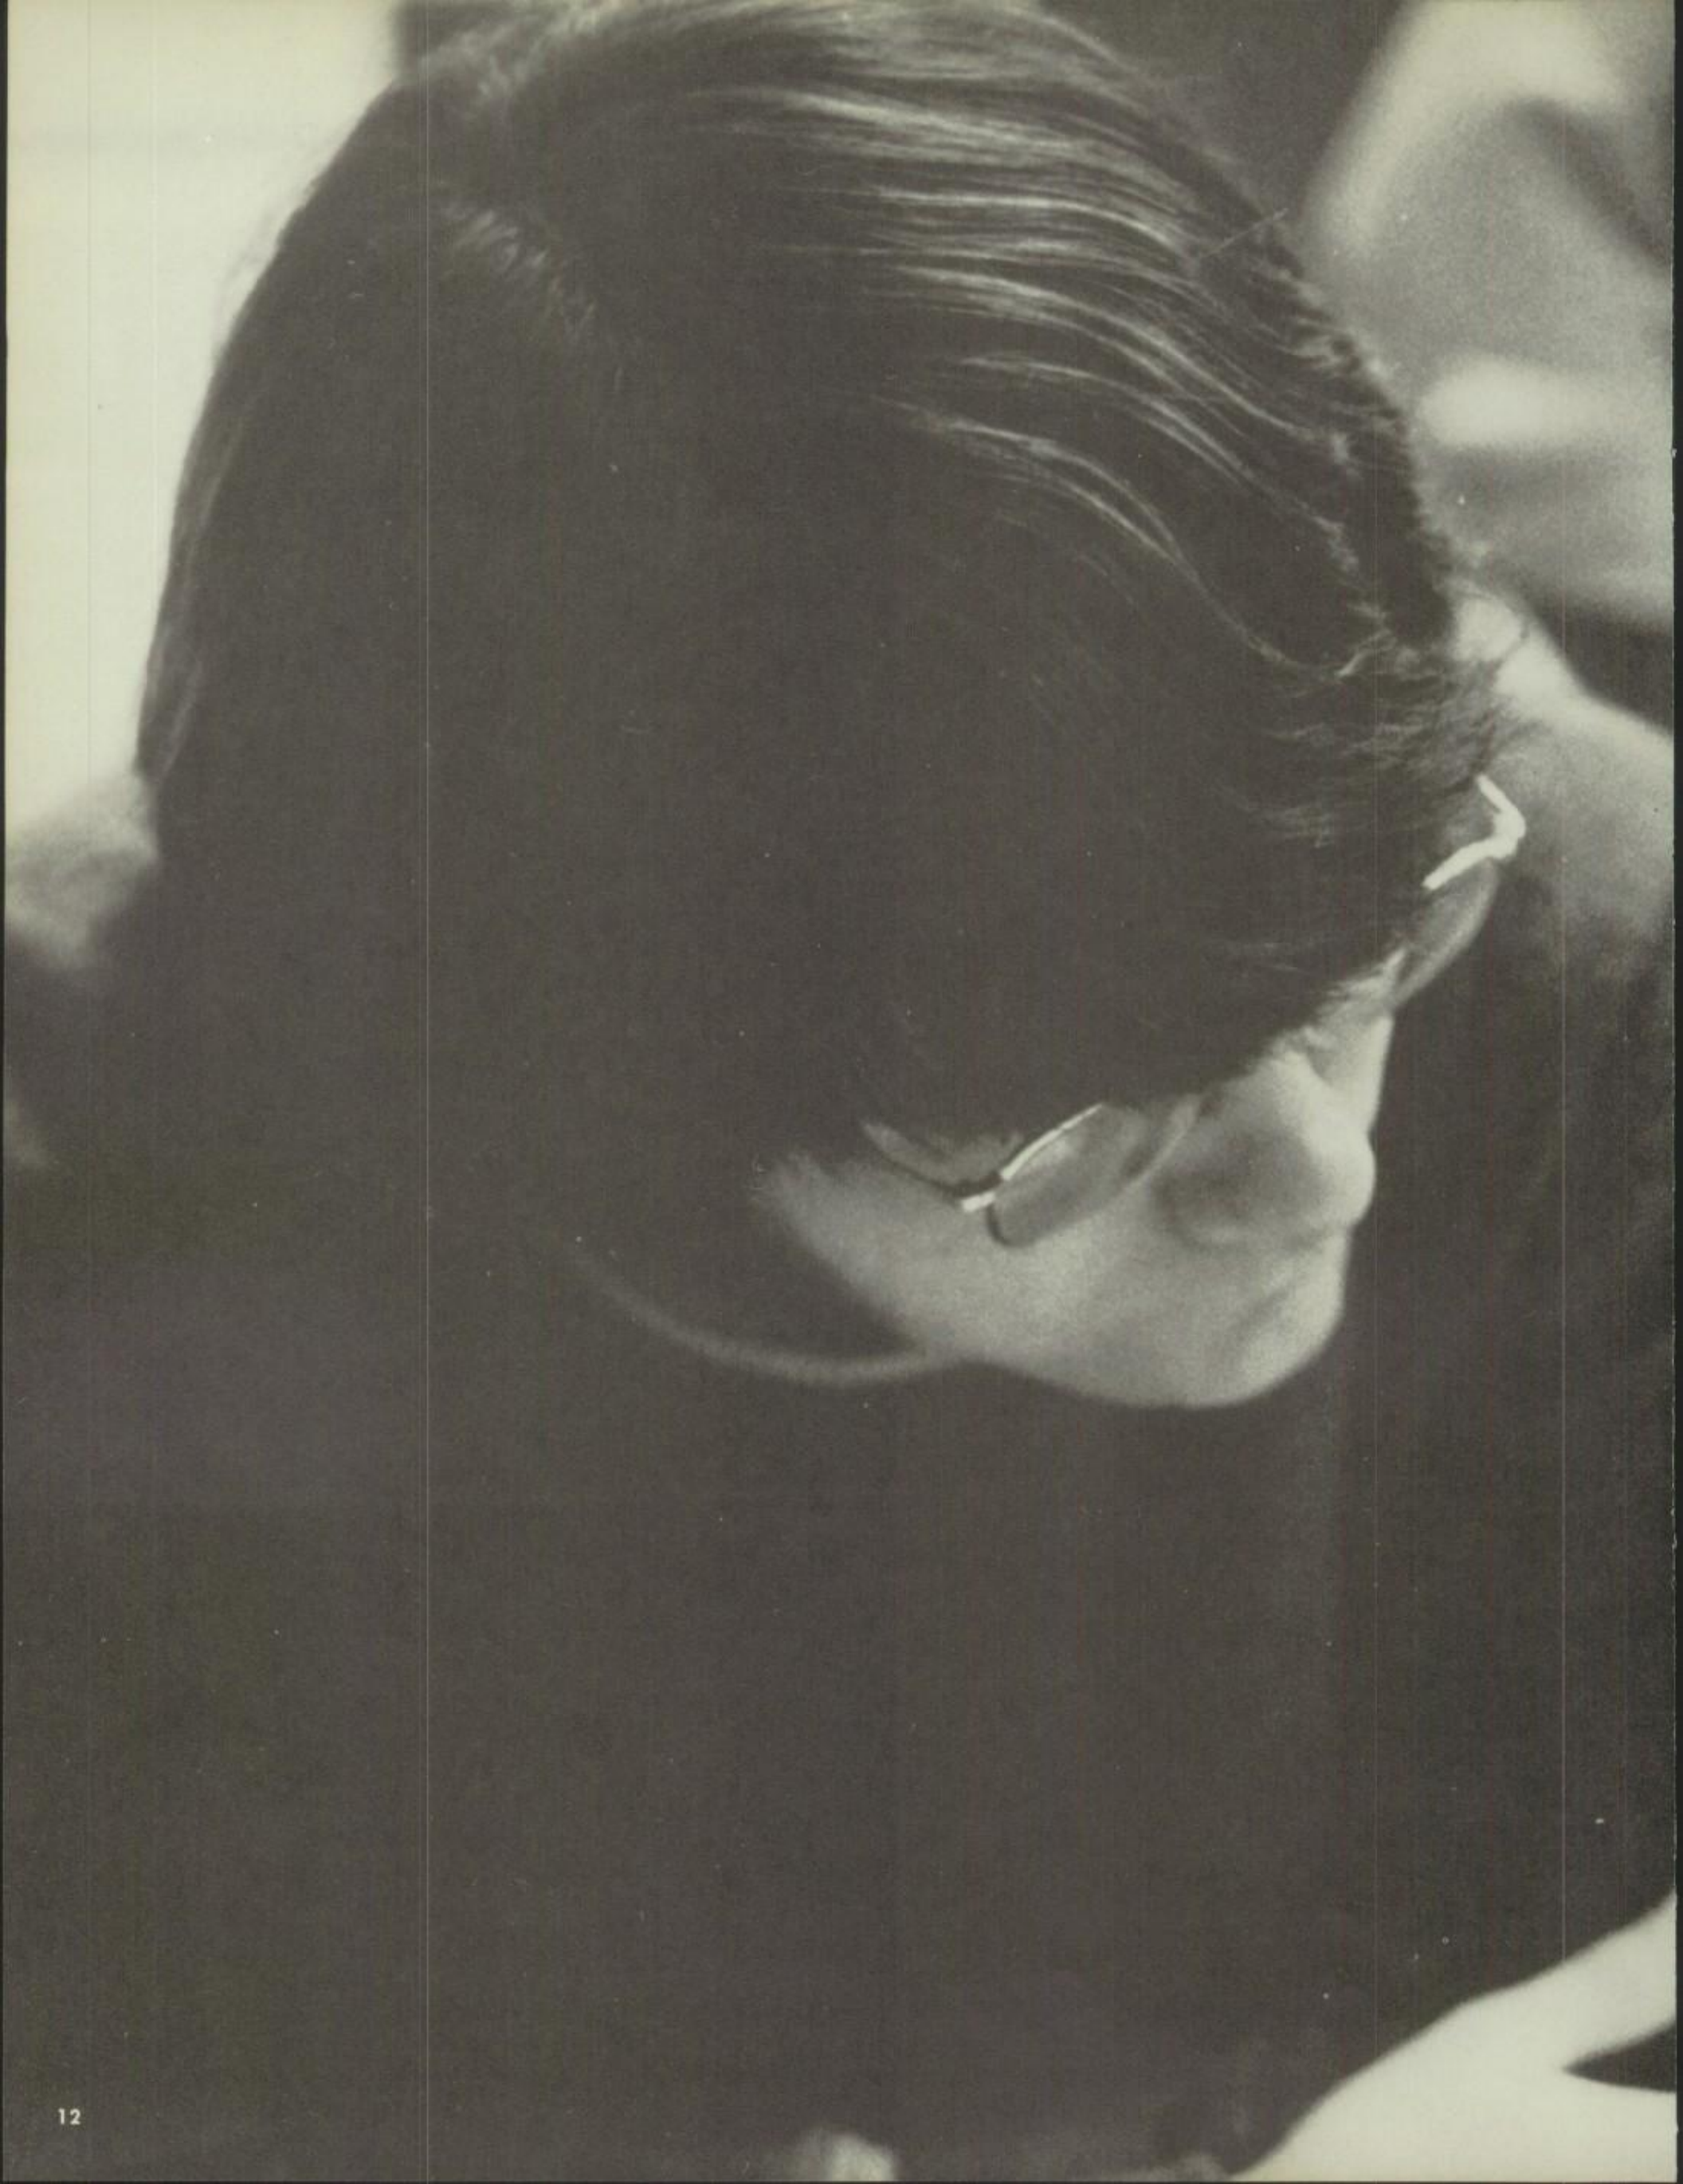

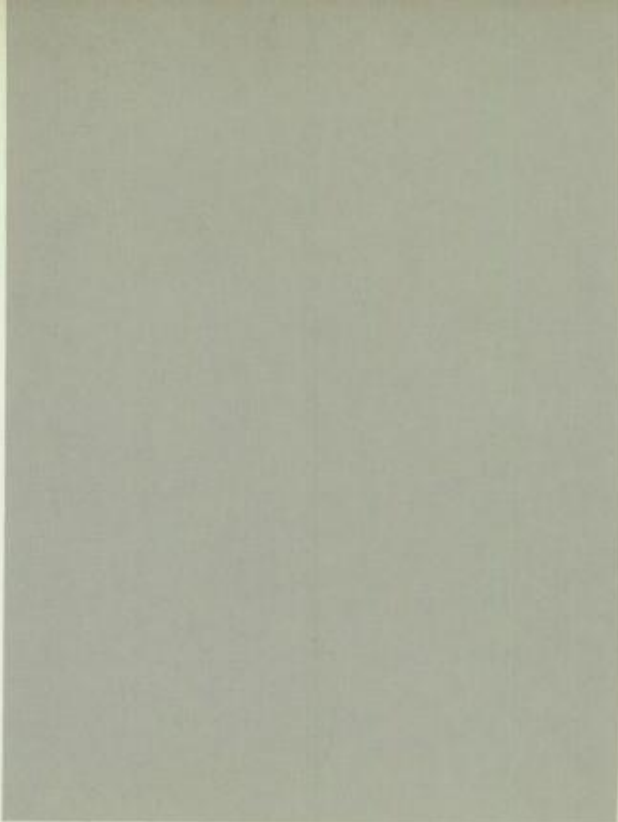

The pure, extravagant, yearning, questioning
artist's face,

Sauntering the pavement thus, or crossing
the ceaseless ferry, faces and faces and faces.
Walt Whitman

The hands of contemplation.

The hands of insecurity.

The reaching hands of respect.

The hands of the sculptor.

The heartbreak of psoriasis.

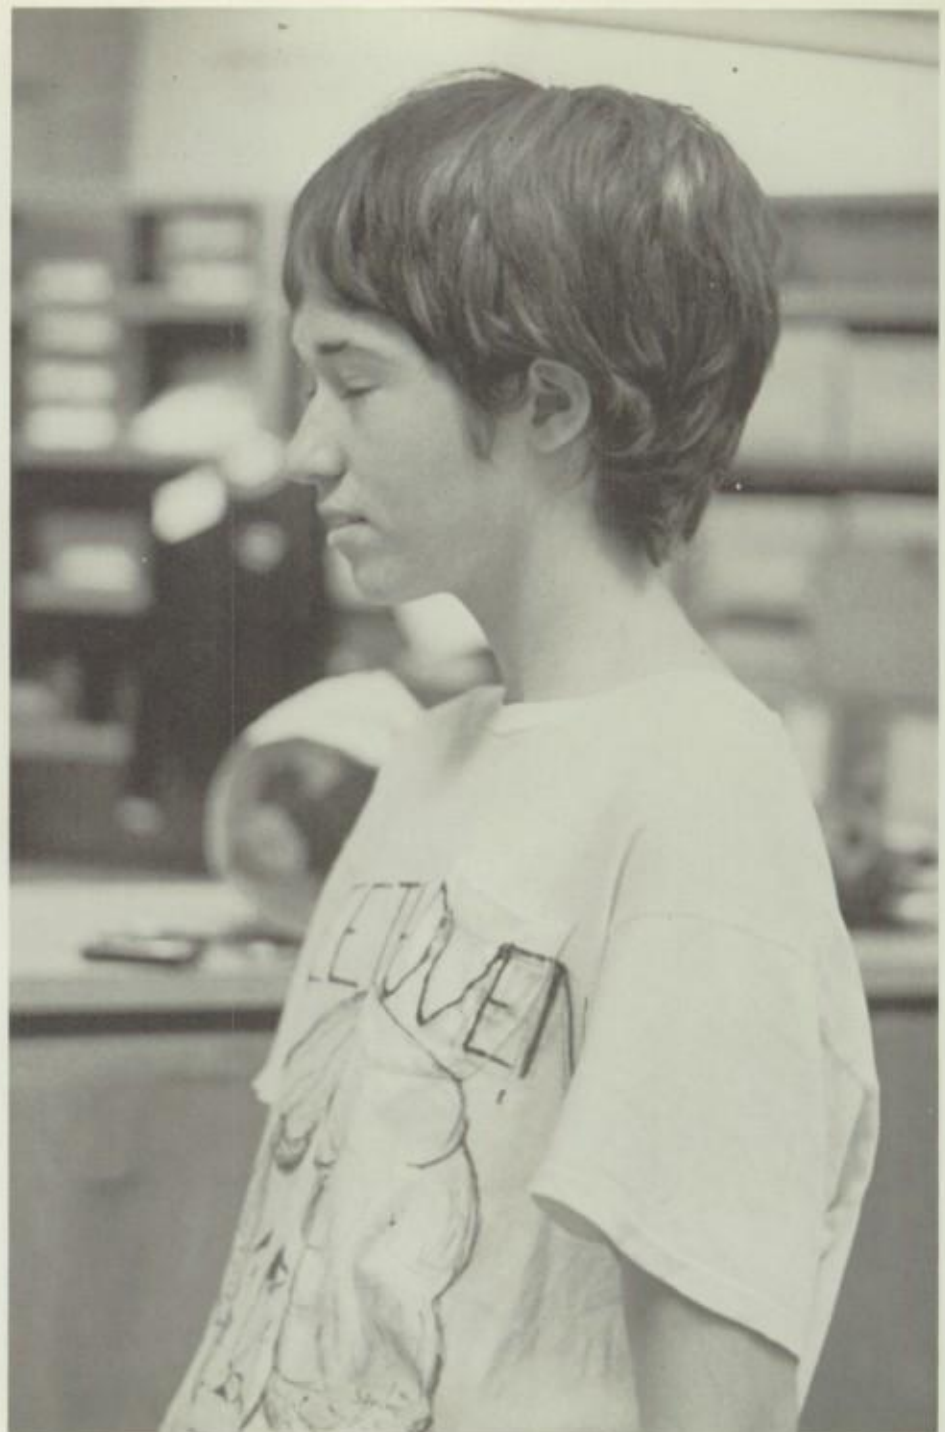

"A gracious good afternoon . . . "

The artist at work.

The face of discovery.

98, 99, 100 ... Ready or not here I come!

Hit ain't ain't, hit's isn't.

And during Study Hall he rested.

Work! For graduation is coming - next year.

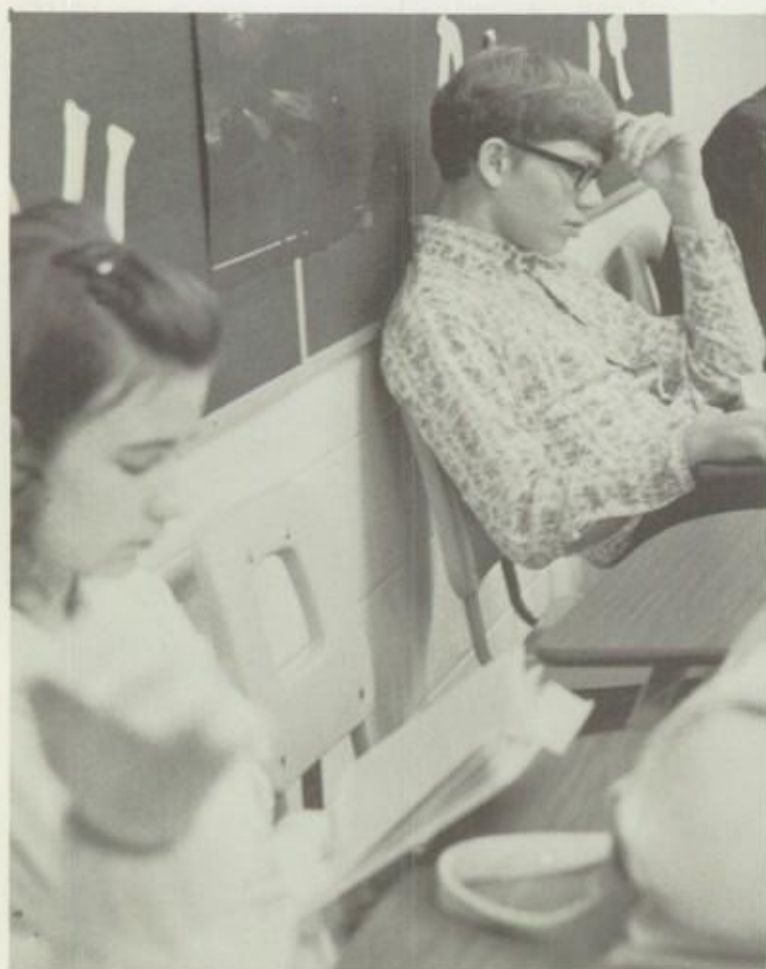

Snoopy flies again!

To know is to have read.

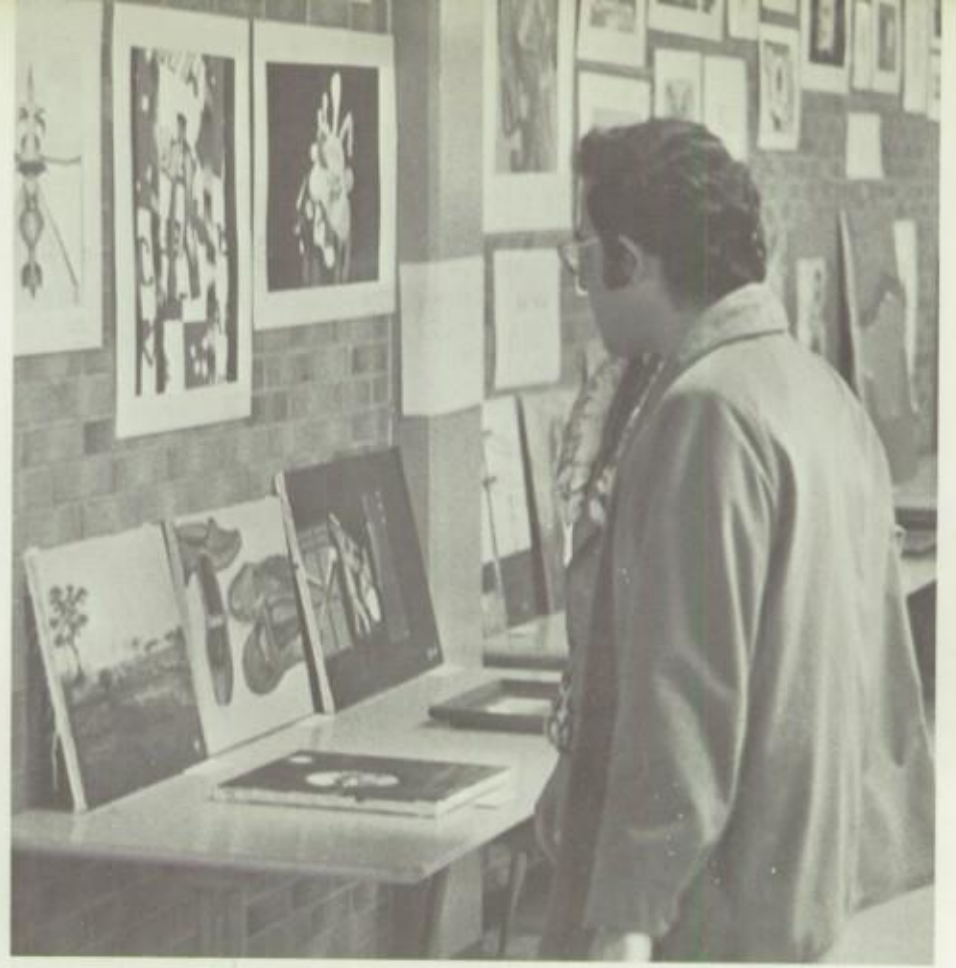

Gosh! That Charlie Brown sure is cute.

I know he's taking my picture, so I'll pretend that I'm studying.

Why didn't you tell me you were an artist?

Symphonic Band

The Moore High School Band, though still in the beginning stages, is well on its way to becoming one of the best bands in Kentucky. Under the direction of Mr. Larry Hamfeldt, the band has achieved wide acclaim. They have played at all home football and basketball games for the last two years. Also, the band has played at The Kentucky Colonels Basketball games. The band is now preparing for band camp this summer, and is raising money for the new uniforms for marching band. Moore is indeed proud of the band. It's come a long way.

Come on! They're all looking at us.

I sure wish that bell would hurry up and ring.

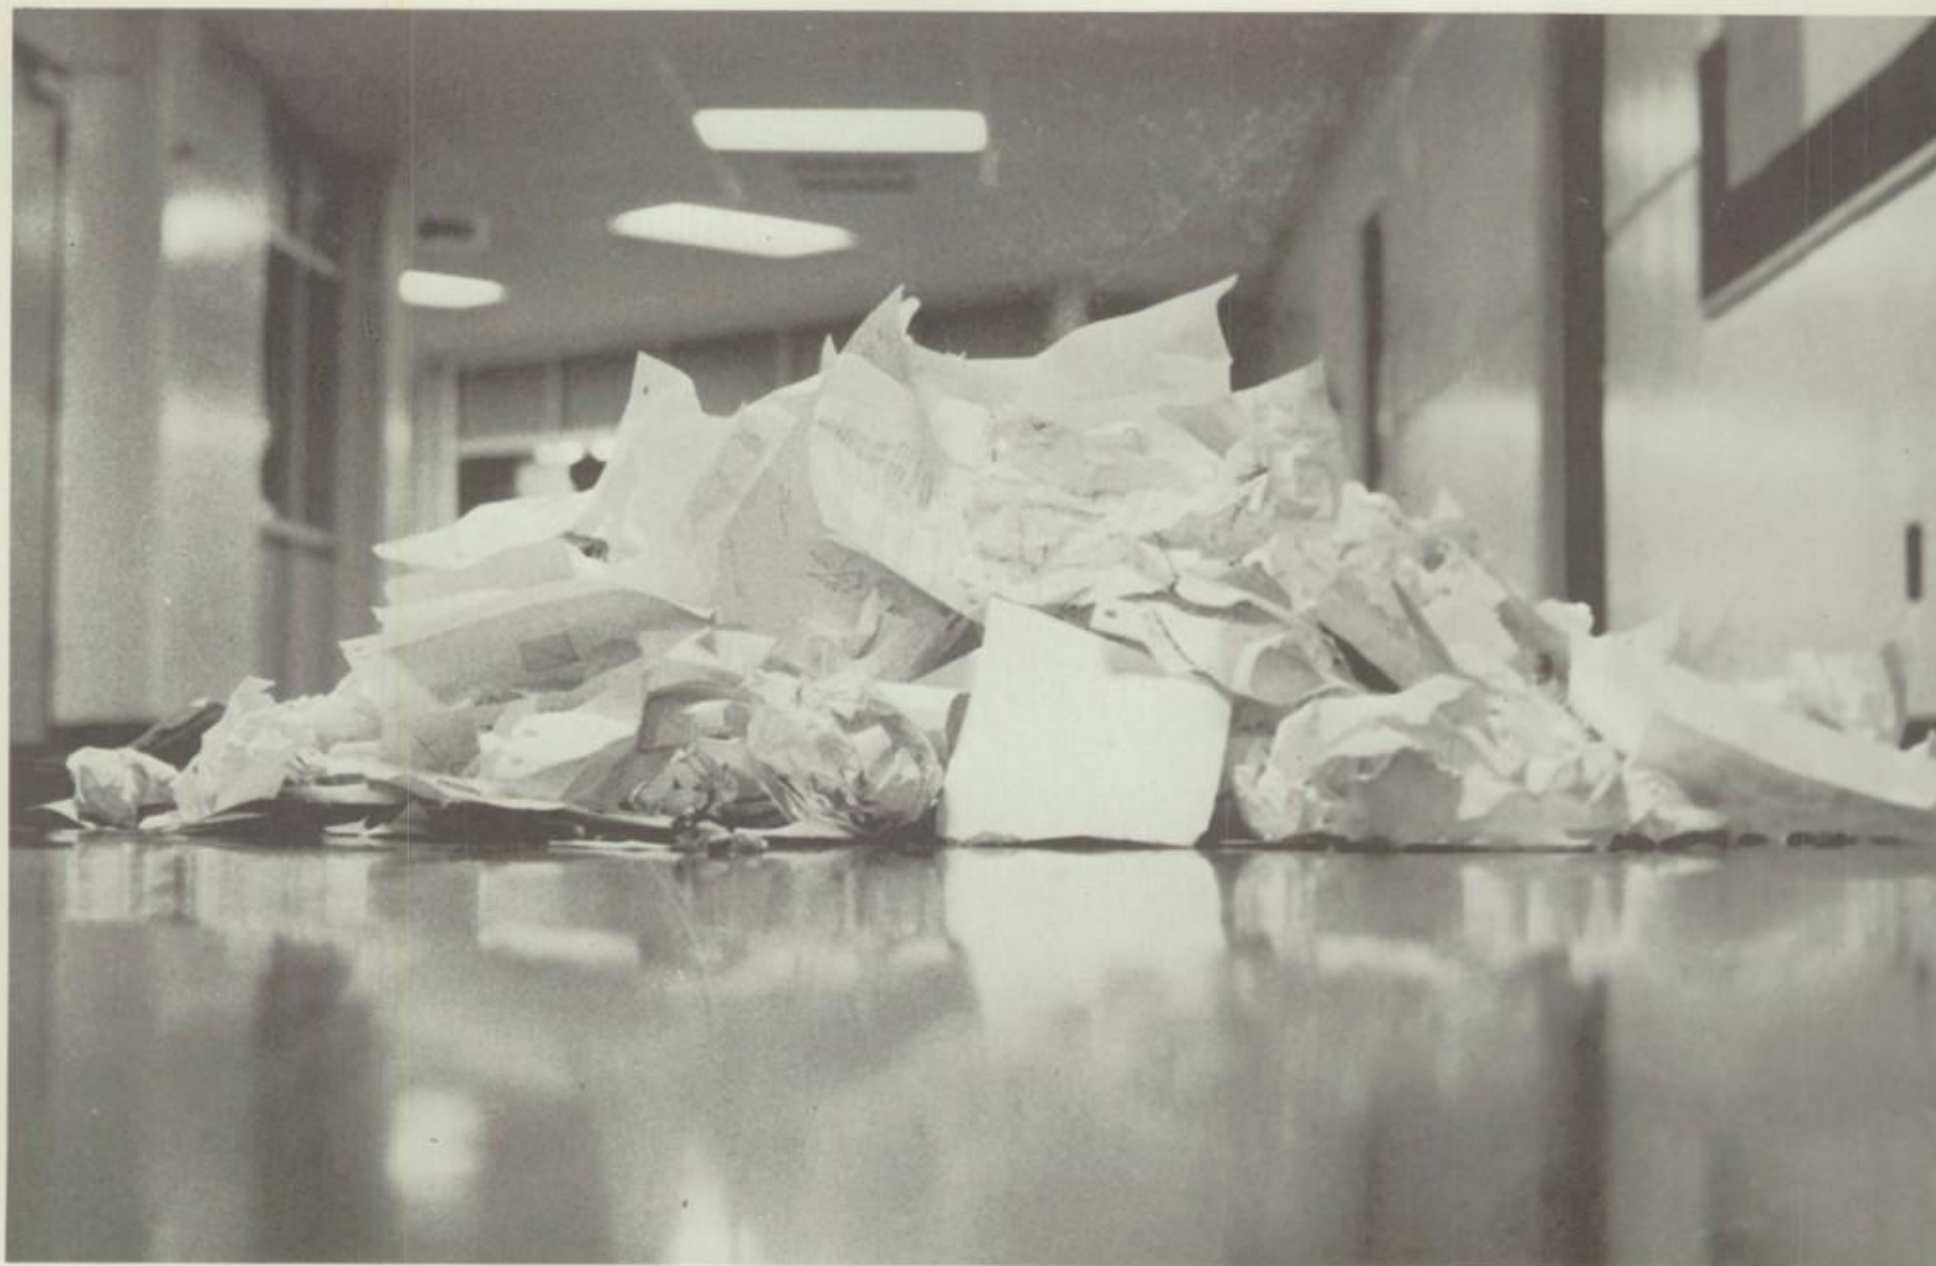

I've tried and I've tried, but I just don't understand.

Who said man didn't come from an ape?

WHO! ME?

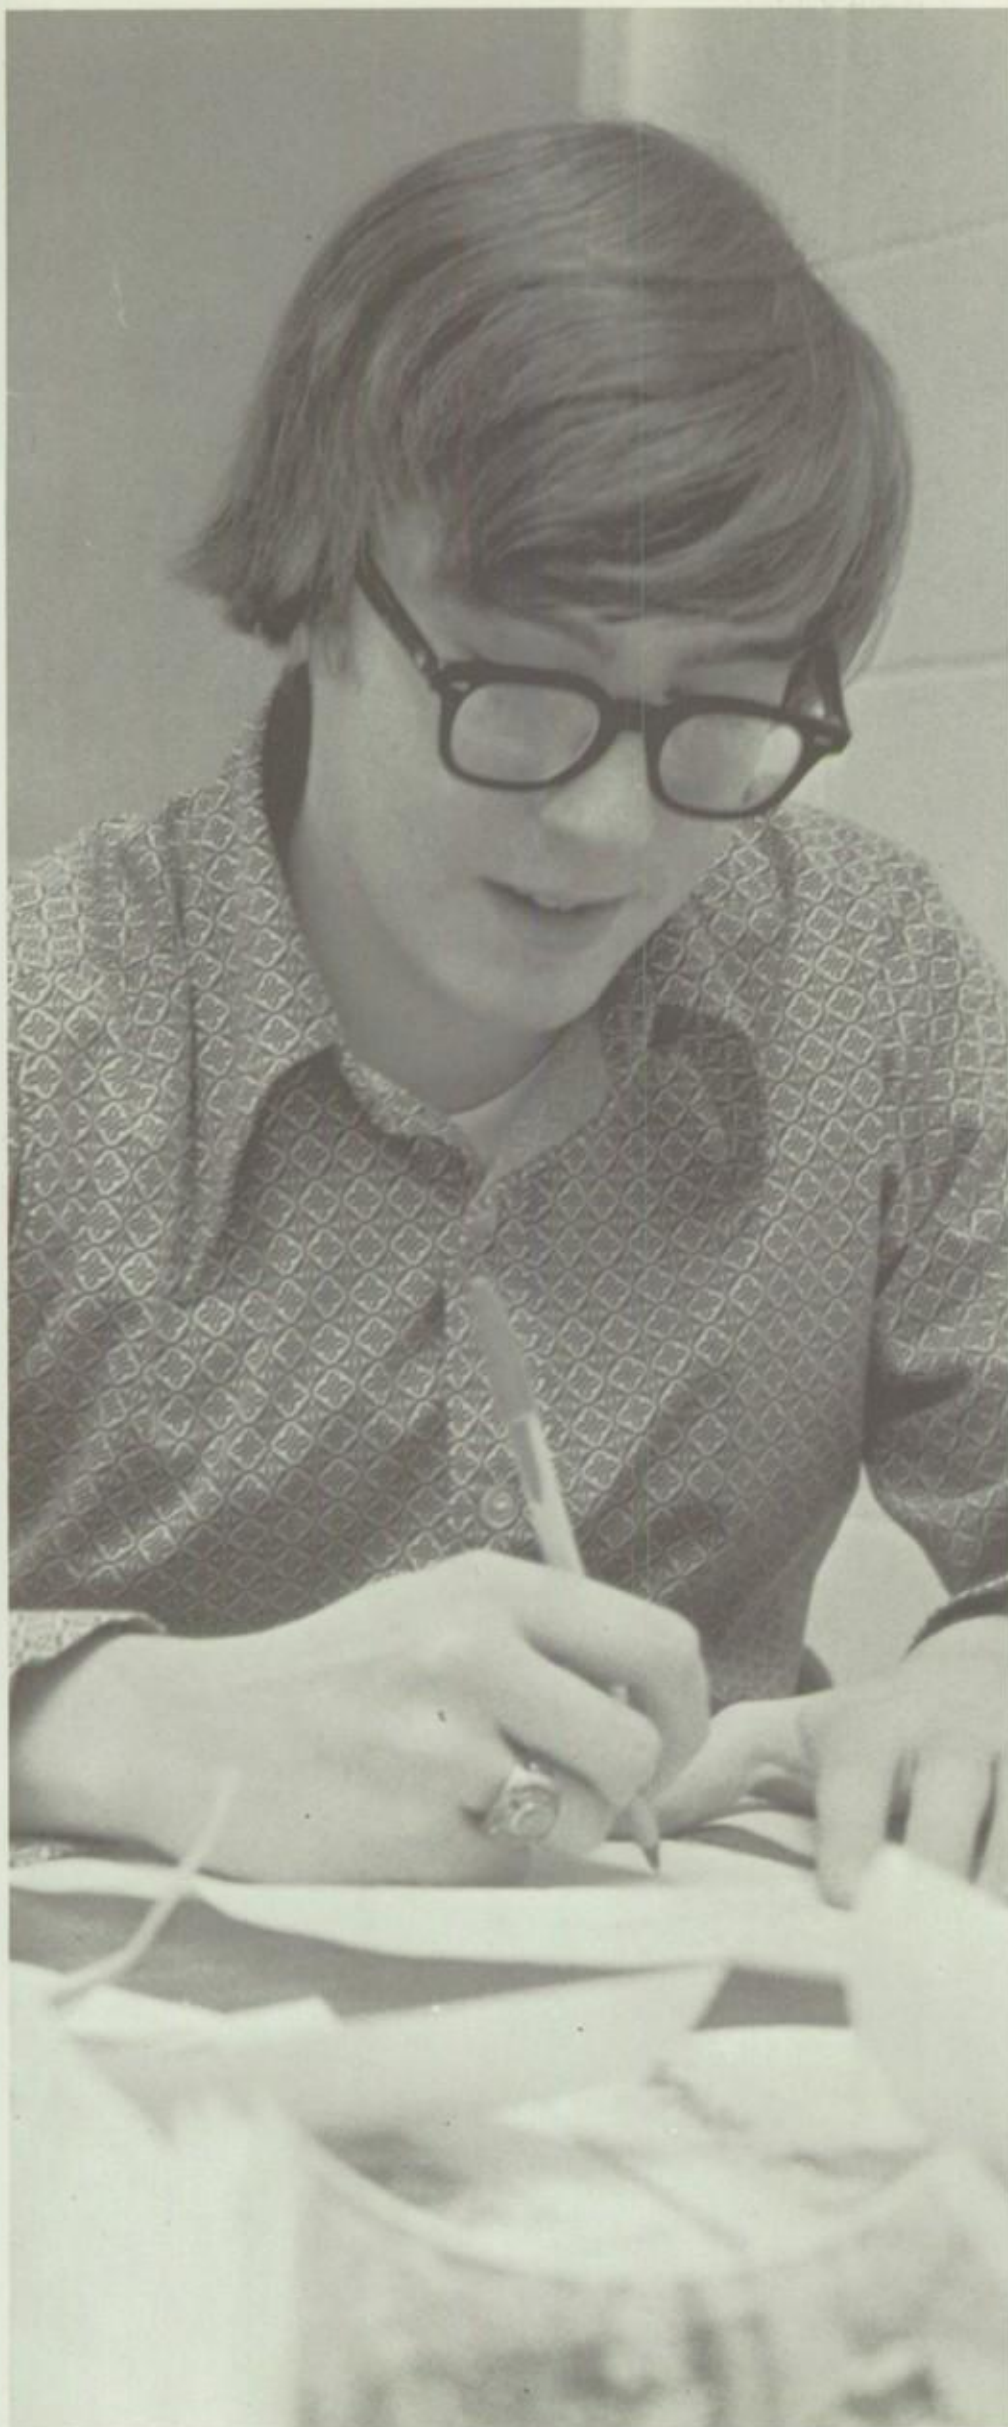

Imagine, all that work!

I guess I told him, didn't I?

Want a bite of apple Mr. Klapheke?

How gross can you get?

I'll really try harder next six weeks.

It's a long way to the end of a hall.

Was it - "In 1493 Columbus sailed the deep blue sea?"

Well, poop, poop, pe doo on you, too!

Yes, we all understand - if you say so.

A Message From Our Principal

The time has come once again to bind and the life of Moore High School. It has been a good year - the highlights of which have been preserved for all time in this Saga. It is my hope that the foundations recorded in this book will be built upon and will serve as guideposts as you go on to achieve even higher accomplishments.
